Air Pollution Control Advisory Council Schedules Public Hearing

BISMARCK, N.D. – The North Dakota Air Pollution Control Advisory Council and the North Dakota Department of Health will hold a public hearing to address proposed changes to the North Dakota Air Pollution Control Rules May 4, 2006, at 9 a.m. in the 4th floor conference room at the Gold Seal Center, 918 E. Divide Ave., Bismarck, N.D.

The primary amendments to the North Dakota Air Pollution Control Rules include:

- Mercury control from power plants
- Regional Haze Program requirements
- Odor rule revisions

The Air Pollution Control Advisory Council is a nine-member panel that considers and makes recommendations to the Department of Health regarding the adoption, amendment or repeal of rules and standards pertaining to North Dakota's air quality.
